

ENOUGH is ENOUGH Rap

Lyrics by Cat

**Enough is Enough! Enough is enough!
Enough is Enough! Enough is enough!**

**I've had enough! Of weeping and moaning.
I've had of enough! Of complainin' and groanin'
I've had enough! Of so little givin'
I'm ready now! For great big living!**

**I've had enough! Of being so scary.
I've had enough! Of being wary.
I'm ready now! To be joyful and merry.
I'm ready now! Tell'em what to bury.**

**I've had enough! Of picking and choosing.
I've had enough! Thinking I'm losing.
I'm ready now! To be His Big Time!
I'm ready now! To make Him all mine!**

**We've got enough! To share and then some!
We've got enough! To go and win some!
We know enough! To teach the Good News!
We know enough! To make some Big Moves!**

**Enough is enough! Enough is enough!
Enough is enough! Enough is enough!
Come on y'all! Enough is Enough!
Come on y'all! Enough is Enough!
Enough is Enough!
Enough is Enough!**
